Full Youth Program - \$15 per student

This program is designed for students in the 3rd - 8th grade. The program is approximately two hours long and consists of three rotational learning centers.

- Water Ecology Center - learn about the different water systems in South Carolina
- Botany Center
- Contributions of the Enslaved Center

Nature and History-\$18 per student

Students will receive a 45-minute narrated tour that will include a tram ride around the outside of the historic gardens, giving insight to how Magnolia was created and has evolved since then. Students will also take part in the Slavery to Freedom tour which focuses on the lives of the enslaved and their contributions to the plantation.

Gardens Only - \$12 per student

Students are granted basic admission to Magnolia Plantation and gardens and the Audubon Swamp. No guided tours are included in this price.

All additional tours: Nature Train, Nature Boat (as the season permits), Plantation House (High School and College students only) and Slavery to Freedom tour. These tours can be added on for an additional 6.00 per student.

One chaperone per 6 children is required and will receive complimentary admission. Additional adult garden admission is 10.00 per adult. Please be advised that only parents and chaperones who arrive on the bus will be allowed to go on the tours with students. Any parent or guardian arriving on their own are not guaranteed a place and must pay full garden admission.
